RE: Filer ID C00055582 July Monthly Report 2005 (6/01/2005-6/30/2005)

This memo is submitted in response to your inquiry dated September 30, 2005 regarding the above referenced report.

The report has been amended to correct for calculation errors on the Detailed Summary Page and to provide the details requested on Schedule H4.

Please be advised that the New York Republican Federal Campaign Committee has to date not employed any individual who spent more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election. During the calendar year 2006, not a single federal election will be held in New York State. The Committee's employees, consequently, did not engage in any direct work on a federal campaign. Furthermore, since the election focus for 2006 was on local elections (i.e. county, town and city), no employee engaged in sufficient activity that would indirectly impact a Federal election thereby affecting the allocation requirements. After the November 2006 elections, employees will be placed on a federal funds only payroll in anticipation of the 2008 federal elections.
